

Dear Friends and Faithful Supporters,

We rejoice with this opportunity to update you on all that the Lord is doing here in Romania. We are having some computer trouble and are unable to check our e-mails, so we apologize for any unanswered e-mails and for the lateness in this report.

This summer the Lord has blessed our ministries in such a miraculous way. We are seeing the Lord's blessings in each aspect of our ministries here. We praise the Lord for His continued blessings. Due to the fact that we have so much to report I will have to limit my comments on each of the following.

Michelle White

We have a lady from Dr. Al Stones' church in Canada, Michelle White, who has come over to help us this summer. She arrived here the beginning of June and will leave at the end of August. She has jumped right in and has been a tremendous encouragement and help to us and the people here.

Operation Light Romania

We started off our new summer program "Operation Light Romania". Our goal is to reach outside of our area and be a light for the Lord in the surrounding cities and villages this summer. We have gone into many different cities that have no Gospel light whatsoever and combed the city with Gospel tracts. We have passed out over 20,000 tracts so far and the summer has just begun! The people of our church are catching a burden to reach their country for Christ. We have about 20+ people all with matching bright yellow shirts that say "Jesus Saves" on the back and we spend an entire day saturating cities and villages with the Gospel. We have seen so many blessings in this ministry. Please pray that the Lord will continue to bless.

Camp

We had our teen camp in July and it was a paramount year for us there. Words cannot express all that the Lord did there. We had 60+ teenagers in attendance and many decisions were made for Christ. It was such an unbelievable week! We praise the Lord for all of you who keep the ministry here bathed in prayer. We know that the Lord is blessing the work here in such a special way because of our faithful supporters who hold us up in prayer. Thank you!

Vacation Bible Schools

We are also in the midst of our Vacation Bible Schools! We will be holding six different VBS in about six weeks! Whew! We are so thrilled with all the doors the Lord is opening here to get the Gospel light out.

First Baptist Church of Tirgu Ocna

With great joy we report that the Lord has allowed us to open up a new church in the city of Tirgu Ocna! We have been praying for over a year now for this city. The Lord has provided us a building to rent and we began holding services there in July. In our first service we had 59 people in attendance! PRAISE THE LORD! Since then we have averaged 20+ and have seen 12 people saved. We praise the Lord that He continues to bless each of the ministries here in a special way!

Thank you again and again for all your prayers and support. Words cannot adequately express our heartfelt gratitude for your continued prayers and support. We count it an honor to be your missionaries to Romania.
